

LANCASTER PHYSICAL THERAPY & SPORTS MEDICINE

Telehealth

As our world quickly changes, we are adapting to serve our patients. With this crisis, the internet, digital communication, and technology are playing a larger role in medicine, so Lancaster PT is extending its services into Telehealth.

Please follow these steps to access Telehealth with Lancaster Physical Therapy:

- 1. Please call our office at [717-517-9612](tel:717-517-9612) or use the “[Make An Appointment](#)” tab on our website. In the “message” section at the bottom, *please indicate your interest in Telehealth.***
- 2. We will contact you directly regarding the possible costs of Telehealth associated with your insurance plan. Please note: We will be as transparent as possible regarding these charges, as coverage for Telehealth is rapidly evolving.**
- 3. If you elect therapy through Telehealth, we will complete the process by scheduling an appointment and providing instructions for access.**

We look forward to exploring this valuable option with you as continue to progress in your therapy.
